**Notes:** The type of society is changed from “member-funded” to “regular” because we do not qualify as a member-funded society. This is because we typically receive money in excess of \$20,000 within a two-year period. We also are interested in applying for grants, which would disqualify us.

Numbering and lettering of items is re-done to be consistent with the BC Societies Act format.

Underlined material is new, items with a strikethrough font will be deleted.
