Dear Semiahmoo Band Parents,

First of all, we want to say, welcome back to all of our parents and students, and we especially welcome some of the new families to the school and music program. It is always exciting to start a new year and have a new beginning.

In effort to conserve paper, the bulk of our start-up information and materials are posted on the music program's website www.semiahmoomusic.ca. Please refer to this site throughout the school year for current information on upcoming music department events such as concerts and tours, fundraising and general meeting dates.

GOALS OF THE SEMIAHMOO MUSIC SOCIETY (SMS)

At the beginning of each year, every family in the Semiahmoo Music Program is expected to join the Semiahmoo Music Society and contribute either \$50 (Grade 8 and 9) or \$75 (Grade 10-12). This contribution is used to:

- support the educational goals and philosophies of the music department's directors.
- ensure that every music student is able to participate in program-related activities regardless of individual financial means.
- award scholarships and bursaries which support our students' music education and professional careers.
- help defray the cost of registration fees for local, national, and international festivals, tours, and competitions.
- purchase and maintain uniforms in all grade levels for both concert and jazz band students.
- purchase sound & lighting equipment, music scores, instruments and learning resources to provide the most current music education experience for our students.
